

18. The contractor should bind himself for the good behaviour of his agents.

19. Plan and specification are subject to change and no extra claims, will be admitted on this account.

20. Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21. All waste material and debris should be cleared immediately from the work spot at contractors cost and stacked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractors cost.

22. Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs. 30,000 amount so that the entire construction of the Pump House is completed within one year from the date of acceptance of the tender.

23. Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24. If any defective work is executed not approved by the Department contract will be terminated immediately and the cost of rectification of the same will be recovered from the contractor.

25. Defective material collected by the contractor, pointed out by the Departmental officials should be cleared at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.

H. S. NARASIMHA IYENGAR,
Ex. Engr.

T. HUCHAVEERIAH, *Ex. Engr.*

OFFICE OF THE SPECIAL ENGINEER, VIDHANA SOUDHA DIVISION (HOUSES OF LEGISLATURE), BANGALORE.

Notification dated 27th October 1953.

Sealed tenders duly signed by the contractors will be received in the office of the Special Engineer, Vidhana Soudha Division, Old Residency Compound, Bangalore-1, up to 4 P.M. on Monday, the 16th November 1953 for the collection of the following materials for the Vidhana Soudha Building construction.

1. The contractor shall quote for each individual item of material both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of sales-tax, royalty or any tax due to Government. The materials should be collected at the spot shown to them by the Department within the Old Residency Compound, Bangalore-1.

2. No conditional clause will be accepted.

3. No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

4. Tenders should be accompanied by Treasury Chellan for having credited the earnest money of Rs. 5,000 under "Revenue Deposits". Chellan has to be got countersigned by the undersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderer, the chellan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the Treasury where the amount was first deposited.

5. Only printed tender forms will be accepted (issued from the office of the Special Engineer, Vidhana Soudha Division under authority).

6. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary agreement within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

7. The final acceptance or disposal of the tenders in full or in part or in any manner they like, will vest with the Chief Engineer of Mysore, who is not bound to accept the lowest or any quotation or assign any reason thereof.

8. The contractors will have to make their own arrangements for transport of materials from quarries to workspot and repairs to quarry roads, etc.

9. Reserve and earnest money deposits will be repaid only at the settlement of final bill.

10. Tendered contractors will have to pay compensation as per Workmen's Compensation Act to workmen under their employment, injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from the bills of payment to the injured or to the legal heirs of the deceased.

11. The work should not be sublet to others.

12. Quantities given in the notification and schedule are only approximate and are liable for alteration. No extra rate will be allowed for such alteration.

13. Tenders submitted on percentage basis will be rejected.

14. All stones and slabs should be collected from Mallasandra quarry or Hessarghatta quarry.

15. For all disputes in regard to this work either of rate, quantities, execution processes, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

16. The contractor should bind himself for the good behaviour of his Agents.

17. Income-Tax clearance certificate granted by the Income-Tax Department will have to accompany the tender.

18. Measurements of materials and deductions for voids, etc., will be as per departmental rules in force.

19. Regarding stones and slabs, the specified measurements indicate actual sizes required for work, according to which measurements will be passed for purposes of preparing bills. The contractors should supply extra 1"—2" thick in all dimensions for dressing margin which will not be paid for.

20. Materials like casuarina poles, paddy grass, etc., will have to be got by the contractors at Government weighbridge and the weight slip will be the basis for preparation of Bills.

21. Materials measuring below minimum size in any direction will be rejected which the contractor should clear immediately at his cost.

22. Schedule of items and approximate quantities is noted below.

23. The rejected materials should be cleared by the contractor at his cost immediately, failing which the department will clear the same at the contractor's cost.

LIST OF MATERIALS.

M. MUNIAPPA,
Special Engineer.

TUMKUR DIVISION.

Tender Notification dated 18th October 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on 9th November 1953, for the undermentioned work:—

Name of work	Amount of estimate Rs.	Earnest money Rs.	Last date for receiving tenders.
Constructing New Type Middle School at Torur, Sira Taluk.	15,850	750	9-11-53

1. Tenders in the prescribed form obtainable from the office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury challan, it will be rejected. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the department or drafts or cheques will be accepted.

3. Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate, schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.
